

DAWN GIBBONS
FIRST LADY OF NEVADA

To Whom it May Concern:

Las Vegas Marching Arts (LVMA), directed by Mr. Randy Warner, has great potential to focus our young people in the arts. LVMA is an organization that compliments music programs. They provide after school music opportunities to youth between the ages of 13 and 21. Programs include instruction and performance in the areas of marching band, color guard, baton, percussion, and vocal music.

This program not only musically challenges the youth served, it also provides leadership opportunities as well as experience in travel and competition. These young people are enthusiastic and work very hard to accomplish their musical goals. These young musicians will be great ambassadors of the arts as they develop their skills through their love and commitment to music.

Warmest Nevada regards,

A handwritten signature in blue ink that reads "Dawn Gibbons". The signature is fluid and cursive.
